Initial Payment due at registration –

Students electing to use the payment plan, must enroll in person or via phone after the payment plan worksheet has been received by the school admissions office.

2nd installment due 30 days from initial enrollment date – 3rd installment 60 days from initial enrollment date

Failure to pay the installments as agreed upon will result in a monthly compounded interest rate of 15% of the total amount owed until the full amount is paid.

Written notice will only be sent after breach of payment obligation. Key Realty School LLC will refer non paying students to a collection company in attempt to collect debt after 30 days of non payment. In addition to the balance owed to Key Realty School, the student electing to participate in the payment plan will be responsible for any and all fees assigned to the account by the collection company. Students electing to use the payment plan option must make the first payment via credit or debit card. By agreeing to these terms, Key Realty School is authorized to process the card on file if a required subsequent payment is not made to comply with this payment plan.

Student will surrender their ability to attend or participate in any aspect of the Key Realty School programs if the student fails to pay the installments as agreed to. Key Realty School reserves the right to withhold any educational transcripts, course progress or records until all payments have been made.

This agreement is designed to amend the Key Realty School policies and procedures available online at KeyRealtySchool.com
